Saratoga Summer 2011 Market ~ CSA Egg Subscription

We're offering a CSA-type egg subscription for the Saratoga Springs Summer Farmers' Market. Weekly subscriptions will begin Wednesday May 4 or Saturday May 7, and run for 26 weeks, ending October 26 or 29. A second option will be Every Other Week (*EOW)* pick ups, 13 deliveries over 26 weeks, starting either May 4 or May 11 (Wed), or May 7 or May 14 (Sat) an also end with your last October delivery.
This will insure our customers a guaranteed egg supply, at a discount from weekly purchases.

` Our hens started nibbling the new grass as soon as the snows melted. Soon we'll begin moving their Chick Inn tent http://www.farmtek.com around the fields.

"Mother Earth News" and Penn State have shown that pasturing improves the nutrient value of eggs, just like grazing adds nutrients to beef and lamb.

Eggs from hens on pasture are higher in Vitamins A, E, and D, and Omega-3 fatty acids, and lower in saturated fat and cholesterol.

The hens live a more natural life, enjoying sunshine, while they eat grass, seeds, bugs, weeds and their chicken feed, while being protected from predators.

Here's how the subscription will work. You can sign up for any of these options – half dozen per week, one dozen per week, or two dozens per week. For Every Other Week (EOW), sign up for one or two dozens on a preset schedule. For *EOW* shares, we'll divide the orders in half and let you know your start date.

- Weekly pick ups will begin Wed. May 4 or Sat. May 7 at the High Rock Market.
- Half the *EOW* shares will also start May 4 or May 7, and the other half will begin May 11 or May 14.
- Pick up will be at the Saratoga Summer Market at High Rock Park.
- Your supply of eggs will be guaranteed until 12:30 p.m. on Saturdays or 5:30 p.m. on Wednesdays, or later if you notify us in advance.
- If you miss a market, you'll receive make-up shares *to the best of our ability.* If a subscriber becomes hopelessly behind, we'll donate those shares to the food bank.

Like all CSAs, payment is due in advance of delivery. We will appreciate payment in full (or make another arrangement with us) by the first delivery day – May 4 or May 7, for weekly shares, or November May 4 or 11 (Wed), or May 11 or 14 (Sat.) for *EOW* shares.

Our regular price for eggs this summer will be $4.25/dozen. The share price will be $3.75/dozen. Anytime you buy extra eggs, the price will also be $3.75/dozen.
