* FRAMED SCRAPBOOK PAPER *

MATERIALS

- Random frames you don't use
- Scrapbook paper you like looking at

{fig. 1}

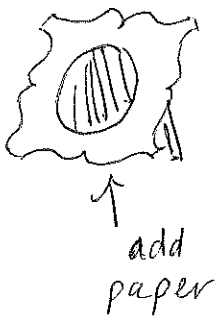

PREP YOUR PAPER

{fig. 1} - Remove the current image from the frame & trace the image onto the paper of your choice
- Cut out the images from the scrapbook paper

MAKE YOUR ARTWORK

{fig. 2} - Put the cut paper in the back of its respective frame

SPECIAL NOTES

- I feel like a chump for writing this out
- It was meant to be purely comical

Gather your frames.

Bring them to your craft room.

Pick out paper that fits your look.

Use the image in the frame
as a guide, and cut paper accordingly.

Put in frames, and voila! Yes, it's that easy.
